

Little Easter Bunny

Ellie's Craft Boutique

Tension

Gauge is not that important with amigurumi. Big or small they will be cute no matter what! Using cotton double knitting yarn and a 3mm hook should produce a toy measuring approximately 15 cm tall. As a rule, the larger the hook and the thicker the yarn, the bigger the toy!

Materials

- **2.5mm crochet hook**
- **10mm Toy safety eyes**
- **Toy filling**
- **Embroidery thread**
- **Stylecraft Special dk in the following shades:**
 - Lemon (50g)
 - Lilac (50g)
 - Candyfloss Pink (50g)

Abbreviations

This pattern uses UK Crochet Terms.

ch - chain
dc – double crochet

Fasten off leaving a short tail. Using a sewing needle, thread the tail through the front loop of each of the remaining stitches and pull tight. Sew in any ends.

To shape the eyes, using a sewing needle and a strand of lemon, pass needle through the back of the head and pull through just above the eye. Work a small horizontal stitch, pass the needle through to the other side and work another small horizontal stitch just above the second eye. Pass needle back to the first eye and this time work a small horizontal stitch underneath the eye. Repeat on the other side. Pull thread tight. This will form slight indents allowing the eyes to sink in slightly as pictured. Fasten off.

Embroider the eye lashes and eyebrows as pictured. Work a small triangle in candyfloss pink for the nose, then work a vertical line starting at the bottom point of the nose. Using the side of a red colouring pencil, lightly shade the cheeks.
