What You'll Need

Materials Needed:

Worsted weight yarn:

Orange, Brown, Green

Poly-fill stuffing

Equipment Needed:

Size 2.75mm Crochet Hook

Scissors

Yarn needle

Stitch marker (optional)

Abbreviations: Pattern is in US Crochet Terms

ch: chain stitch

st: stitch

sc: single crochet

(*): when you see instructions written between parenthesis you will work these instructions as many times as the pattern tells you to.

inc: single crochet increase

dec: single crochet decrease

slst: slip stitch

BLO: back loops only

FLO: front loops only

FO: fasten off

Designer Note:

When I crochet amigurumi I let the wrong side face outwards. All the photos you will see in this tutorial are worked this way and it is my personal preference when it comes to making amigurumi. If you choose to crochet with the traditional right side facing outwards there will be no significant difference regarding how the finished piece will turn out so feel free to crochet this amigurumi however you like.

Be aware that when you work with the wrong side out the front and back loops of a stitch will be reversed. When you see instructions written as "FLO (BLO)" in this pattern you will work what is before the () if you are crocheting with the right side out, and you will work what is in the () if you are working with the wrong side facing out.

Weave yarn tail through last 8 stitches and pull tight to close. Do not weave in the yarn tail yet.****Finishing the Pumpkin:**

To finish the pumpkin take your yarn end and go around the outside of the pumpkin and weave it back through the center. Give the yarn a nice tug to create an indented section to your pumpkin. Repeat 5 more times for a total of 6 sections. For each section you can thread the yarn back through multiple times for a more obvious segmented look.

Different Sizes:

To get different sized pumpkins besides the ones mentioned on this page you can try experimenting with larger or smaller sized crochet hooks. Increasing the amount of single crochet rounds you work before decreasing will give you a taller pumpkin.

Without stuffing sew stem onto large pumpkin.**

Vines (in green yarn)

Vines can be made any length you want. Simply make a chain the length you want plus a bit extra to make up for the curl that will happen. Single crochet into the second stitch from the hook and single crochet the rest of the chain. It will naturally want to curl on its own.

Leaf (in green yarn)

Row 1: start 8 sc in a magic ring. [8]

Do NOT slst into the first sc, instead ch1 and turn.

Row 2: * sc, hdc, dc, tc into first st. dc, hdc, sc into next st. slst into third stitch. Repeat from* 2 more times to make a 3 tipped leaf. slst into the first sc of this row. Ch 2 → FO
