When you reach the end of the round and return to the starting corner, 2dc into the starting corner, join the round with ch1, 1hdc into the top of the beginning ch3.
3. For Round 4: Work as above for sides and corners. When you return to the starting corner, work 2dc+ch3, then slst to the top of the first true dc. Fasten off.

Final Assemble

1. Sew the hat to the top of the head, and sew securely in place. Then, sew the pom-pom to the tip of the hat so it dangles beside the face.
2. Next, sew one mustache on each side of the nose, angling them outward toward the cheeks.
3. Finally, sew the nose at the center between two mustaches, and make two black French knots for the eyes.
